RE: OAH Case No. 135694

Dear Mr. Davis:

I am responding to your inquiry regarding the above contested case. You have made two requests: 1) for the ALJ's oath of office; and 2) for a copy of the contract between the Office of Administrative Hearings (OAH) and the Department of Revenue. ORS 192.001 *et seq*, which you cited in your September 12, 2007 letter does not require this office to maintain written oaths of office for employees. Consequently, I cannot provide you with that information. I also cannot provide you with the contract between the OAH and Department of Revenue because that is an internal document and is not relevant to the ultimate disposition of your case. Because there is now such a contract in place, the hearing will be scheduled and you will receive written notice of the hearing in due course. At that time, you will also be given the name of the assigned ALJ.

Sincerely,

William A. Halpert
