RE: report of thefts (2X),  
18 U.S.C. 1001 (felony)

DATE: June 18, 2014 A.D.

Greetings Your Honor et al.:  
Comes now the United States ex rel. Paul Andrew Mitchell, Citizen of Washington State and Private Attorney General, to supplement RELATOR'S FOURTH VERIFIED CRIMINAL COMPLAINT ("VCC") and to provide formal NOTICE of same to all whom it may concern, as follows:

For any and all vacuum heads who may read this SUPPLEMENT at any time in the future, there is this thing called the "Internet;" and, the many occurrences of "private attorney general" cases can be easily browsed by using the GOOGLE search engine to find "United States ex rel." and/or "United States ex relatione". Now, that wasn't too difficult, was it? How many "hits," please?

Relator now specifically complains that said FOURTH VCC appears to have been stolen by personnel of the Washington County Justice Center in Akron, Colorado, while Relator was

briefly detained there en route to FDC Seatac, for a second "psychological evaluation."

To the best of his recollection, said FOURTH VCC alleged one or more violations of the Federal criminal statute at 18 U.S.C. 242 (deprivation of a Fundamental Right guaranteed by the U.S. Constitution; misdemeanor).

Relator's legal research and related documents were confiscated at Akron, and placed in a flat rate Express Mail box. Then, Relator is informed that the contents of that box were removed, and a subset of those contents was moved to a flat rate Priority U.S. Mail box, to minimize postage fees.

During the transfer of those contents, Relator suspects that jail staff at Akron, Colorado, corruptly failed to transfer the following:

- 5 USC 552
- (a) FOIA Request for credentials of personnel employed in the Office of the Federal Public Defender in Cheyenne, Wyoming;
  - (b) Request for Investigation by the Office of the Federal Public Defender in Cheyenne;
  - (c) MOTION FOR WRITS OF MANDAMUS to the U.S. Office of Personnel Management, and the U.S. Office of Management and Budget, both located in Washington, D.C.

As such, items (a), (b), (c) and VCC4 are now stolen!

In a similar fashion, a 4-inch stack of Relator's legal research and related documents was likewise confiscated by "R&D" staff at FDC Seatac, upon Relator's second departure from that BOP facility. Even though Relator witnesses said R&D staff place those documents in a cardboard shipping box and address it to Relator's legal assistant, the latter assistant has now confirmed that no such box was ever delivered to him, whether by USPS or some private courier. As such, that 4-inch stack of legal research and related documents is hereby reported as stolen too. See: FIRST SUPPLEMENT TO RELATOR'S FIFTH VCC (6/17/2014).

Respectfully submitted,

Signed: Paul Andrew Mitchell (chosen name)
