Greetings Your Honor,

#2:14-CR-00027-NDF-2
APPLICATION FOR OSC

Relator's testimony before this Court on 03/13/2014 disclosed the existence of one (1) written admission on OPM letterhead, and two (2) written admissions on OMB letterhead, all three (3) of which confirmed that OPM has failed to apply for OMB review and approval of the SF-61 which has been available in electronic form at said Internet website for many months.

During one of five (5) meetings with Deputy U.S. Marshals in Seattle, which occurred between June 18, 2009 and January 18, 2014, those USMS officers directed Relator to request and obtain the latter factual update, using the Freedom of Information Act, 5 U.S.C. 552.

After receipt of said 3 admissions, Relator wrote and caused a NOTICE OF MISSING AND/OR DEFECTIVE CREDENTIALS to be filed and served in the case of Hedges et al. v. Obama et al. then pending at the USDC/SDNY. See 44 U.S.C. 3512 here.

The latter NOTICE is hereby incorporated by reference, as if set forth fully here.

The SF-61 in question is a COUNTERFEIT!
