

**RESERVATION OF RIGHT TO INSPECT
U.S. OFFICE OF PERSONNEL MANAGEMENT
STANDARD FORM 61 APPOINTMENT AFFIDAVITS**

FROM: Paul Andrew Mitchell, B.A., M.S.
Private Attorney General, 18 U.S.C. 1964 and
Agent of the United States as *Qui Tam* Relator

DATE: January 25, 2018 A.D.

TO WHOM IT MAY CONCERN:

After extensive litigation and related experience acquired in connection with our ongoing investigation of missing and/or defective credentials that are required of all Federal personnel, we now find it necessary formally to notify all whom it may concern of the following:

- (1) the Oath of Office Clause at Article VI, Clause 3, in the Constitution for the United States of America, elevates that requirement to the level of our Fundamental Right;
- (2) the standing decision of the U.S. Supreme Court in Miranda v. Arizona, 384 U.S. 436 (1966), held: "*Where rights secured by [that] Constitution are involved, there can be no rule making or legislation which would abrogate them*" [underlined emphasis added];
- (3) the Oath of Office Clause *supra* has been implemented by Acts of Congress including but not limited to the Federal statutes at 5 U.S.C. 2903, 2906, 3331, 3332, 3333, and 28 U.S.C. 453, 544, 951;
- (4) the Paperwork Reduction Act ("PRA") at 44 U.S.C. 3501 effectively created a "Right to Inspect" all OPM SF-61 APPOINTMENT AFFIDAVITS for the required display of a valid OMB control number, and for compliance with all Regulations implementing that PRA;
- (5) *whenever* any such SF-61 fails to display a valid OMB control number, the legislative intent of that PRA authorizes private Citizens to enforce that Act by designating all such defective SF-61s as "bootleg requests" that belong in the nearest trash can (read "not admissible");
- (6) moreover, after first enacting the PRA, Congress added greater strength to the PRA's Public Protection Clause at 44 U.S.C. 3512, which now reads in pertinent part: "*The protection provided by this section may be raised in the form of a complete defense, bar, or otherwise at any time during the agency administrative process or judicial action applicable thereto*" [underlined emphasis added]; and,
- (7) a badge, business card, letterhead or any other claim that one is a duly authorized Federal officer or Federal employee can and should be regarded as evidence of felony impersonation violating 18 U.S.C. 912, *insofar* as that individual fails timely to produce a valid OPM SF-61 credential *whenever* challenged to do so e.g. via a proper Request submitted under the Freedom of Information Act at 5 U.S.C. 552, or by *any other* lawful REQUEST or DEMAND.

Accordingly, all Federal personnel who may wish to contact the Undersigned for any reason must first produce a true and correct copy of their valid OPM SF-61 APPOINTMENT AFFIDAVITS and deliver same to the physical address shown below for purposes of timely inspection.

Failure to do so will fully justify the Undersigned to refuse any further contact(s) with such individual(s), to refuse all written and/or verbal communications for one or more of the good causes partially itemized above, and return all such written communications to the sender(s) without any further responses.

The Undersigned hereby expressly reserved the Right to Inspect all such OPM SF-61 forms for full compliance with the PRA and all of its implementing Regulations, and to refuse same for any and all defects thereby confirmed in such forms e.g. missing cite to 5 U.S.C. 2903.

Correspondence transmitted via U.S. Mail without first producing **valid** OPM SF-61 APPOINTMENT AFFIDAVITS will constitute material evidence of felony mail fraud and/or wire fraud violating 18 U.S.C. 1341 and 1343.

Thank you very much for your consideration, and respect, for the supreme Law of the Land throughout these United States of America, particularly the Oath of Office Clause and the Supremacy Clause at Article VI, Clauses 3 and 2 respectively.

Sincerely yours,

/s/ Paul Andrew Mitchell
