(Lafayette Hill, Pennsylvania – 10/06/08) - Philip J. Berg, Esquire, the Attorney who filed suit against Barack H. Obama challenging Senator Obama’s lack of “qualifications” to serve as President of the United States, announced today that Obama and Democratic National Committee [DNC] filed a Joint Motion for Protective Order to Stay Discovery Pending a Decision on the Motion to Dismiss they filed on 09/24/08.

While legal, Berg stated he is “outraged as this is another attempt to hide the truth from the public; it is obvious that documents do **not** exist to prove that Obama is qualified to be President.” The case is **Berg v. Obama, No. 08-cv-04083**.

Their joint motion indicates a concerted effort to avoid the truth by attempting to delay the judicial process, although legal, by **not** resolving the issue presented: that is, whether Barack Obama meets the qualifications to be President.

It is obvious that Obama was born in Kenya and does **not** meet the “qualifications” to be President of the United States pursuant to our United States Constitution. Obama **cannot** produce a certified copy of his “Vault” [original long version] Birth Certificate from Hawaii because it does **not** exist.

Furthermore, and actually more important is Obama’s Certificate of Citizenship that he received when he returned from Indonesia, as if it exists it would indicate that Obama was “naturalized” and also **not** able to be President.

The DNC has promised “we the people” an Open and Honest Government and has promised to uphold our United States Constitution. The DNC has failed their promise. DNC Chairperson Howard Dean should resign as he has **not** and is **not** fulfilling his responsibility of seeing that a “qualified” candidate is on the ballot as the Democratic candidate for President of the United States.

Berg stated that a response in opposition will be filed in the next day or so to the Defendants Motion for a Protective Order.

Our website **obamacrimes.com** now has **21.7 + million hits**. We are urging all to spread the word of our website – and forward to your local newspapers and radio and TV stations. Berg again stressed his position regarding the urgency of this case as, **“we” the people**, are heading to a “Constitutional Crisis” if this case is **not** resolved forthwith.
