p.s. Please remove me from DOJ's "black lists" -- **ALL OF THEM!!**

U.S. DOJ also has a VERY BIG PROBLEM here, and to date nobody is doing anything about **infiltration of the Federal Bureau of Prisons:**

If this discovery is just "too hot to handle", kindly forward this message, and the message for SPD below, to a U.S. DOJ officer who can handle it without "*passing the buck*".

PLEASE FORWARD TO:  
Chief of Police  
Seattle Police Department

Greetings Chief of Police:

Evidently, certain personnel of the Seattle Police Department do lack the courage and skill to confirm evidence that a multitude of Federal personnel, in Seattle and elsewhere in the USA, do lack the mandatory credentials required by applicable Federal laws.

As such, those Feds are all impostors, and felons.

They show contempt for the Oath of Office Clause and Appointments Clause in the U.S. Constitution; and, they show contempt for Acts of Congress which have implemented those Clauses.

All such rogue Federal personnel are violating 18 U.S.C. 912, 1962(d) and a number of other Federal criminal statutes, formally charged in VERIFIED CRIMINAL COMPLAINTS, ON INFORMATION, linked below.

And, those same SPD personnel evidently believe they were entirely justified to aid and abet all such Federal impostors, even though the latter were properly charged with multiple FELONY federal offenses itemized here:

<http://supremelaw.org/cc/hill/tort.claim.summary.amended.htm>  
(follow the links to 5 x Federal Tort Claims and supporting documents)

<http://supremelaw.org/cc/hill/vcc.list.htm>

<http://supremelaw.org/cc/hill/vcc.matrix.htm>

Aiding and abetting are expressly prohibited by 18 U.S.C. 2  
(*"punishable as a principal" !!* )

**I didn't make these laws; Congress did!**

Kindly refrain from ignoring the latter any longer, because every single VERIFIED CRIMINAL COMPLAINT, ON INFORMATION was expressly required by 18 U.S.C. 4 (Misprision of felony).

I have tried to satisfy my legal obligations; SPD don't seem to care how many Federal offenses they commit on a daily basis, nor does 18 U.S.C. 2 seem to make any difference to them.

cf. **SUMMARY OF KEY EVENTS** <--- subset of filthy details are here

Before I was viciously kidnapped by those rogue Feds, tortured with 55 moves in 11 months, 3 terms in solitary confinement, and threats of forced administration of brain-damaging drugs (to name just a few of the injuries and damages I sustained), I was forced to realize that **Seattle government is widely infiltrated with socialists and communist sympathizers.**

Terribly sad, that whole situation. I'm glad I was able to leave, instead of being forced to listen to a summoned SPD officer ("sworn"??) try to tell me that ***what I had just witnessed at the USDC in downtown Seattle didn't really happen.***

How would he know? He wasn't there; ***I was there!***  
And, a man claiming to be a Deputy U.S. Marshal ***was also there.***

William M. McCool is typical of these rogue Feds who refuse to disclose credentials when properly

requested:

The database assembled during *The Credential Investigation*  
**-- admittedly *THE REASON* why I was kidnapped and tortured --**  
is readily available on the Internet here:

The Federal "robe" in Wyoming actually apologized to me  
***in open court***, for attempting to characterize  
*The Credential Investigation* as some kind of  
pathological obsession.

***Then, she tried to kill me  
with brain-damaging drugs!***

***Read it and weep!***
