 30

31 I, **John Q. Doe**, being natural born in Massachusetts a male human being,  
 32 now living in Marin County, California Republic, as a Citizen in the  
 33 California Republic, do hereby make this Special Appearance, by Affidavit, in  
 34 *Propria Persona*, proceeding *Sui Juris*, At Law, in Common Law, with  
 35 Assistance, Special, neither conferring nor consenting to any foreign  
 36 jurisdiction, except to the judicial power of California and/or America, and  
 37 as such I willfully enforce all Constitutional limitations respectively on  
 38 all government agencies when dealing with them. Wherefore, the undersigned  
 39 Affiant named herein and above, upon affirmation declares and evidences the  
 40 following:  
 41  
 42

43 I, the undersigned, a natural born free Sovereign Citizen in the  
 44 California Republic, and thereby in the United States of America, hereby  
 45 affirm, declare and give notice:  
 46

47 1. That I am competent to testify to the matters herein; and  
 48 further  
 49

50 2. That I have personal knowledge of my status and of the facts and  
 51 evidence stated herein; and further  
 52

53 3. That all the facts stated herein are not hearsay but true and  
 54 correct, and admissible as evidence, if not rebutted; and further

1           4.     That I, **John Q. Doe**, am of lawful age and competent; I am a  
2 natural born free Sovereign Citizen now living in the California Republic,  
3 and thereby in the United States of America, in fact, by right of heritage, a  
4 Citizen inhabiting the California Republic, protected by the Northwest  
5 Ordinance of 1787, the Organic Act of 1849, the original Constitution of  
6 California (1849), the Articles of Confederation (1777), the Constitution for  
7 the United States of America (1787) including its Preamble, and the Bill of  
8 Rights (1791) including its Preamble; and as such I retain all my  
9 fundamental, unalienable rights granted by God in positive law, embodied in  
10 the Declaration of Independence of 1776 and binding rights upon myself and my  
11 parentage, this day and for all time; and further  
12

13           5.     That this document has been prepared, witnessed and filed because  
14 the State of Massachusetts holds the position that there are no statutory  
15 provisions to rescind a Birth Certificate, nor any trust or contractual  
16 obligations derived therefrom, and because there is no other remedy available  
17 to me At Law by which I can declare and enforce my right to be free from  
18 State enfranchisement and the benefits therefrom; and further  
19

20           6.     That, on my birthday, \_\_\_ / \_\_\_ / \_\_\_, I was born in Worcester,  
21 Massachusetts to my parents, James F. Doe and Jane M. (Smith) Doe, who were  
22 both under the misconception that they were required to secure a Certificate  
23 of Birth on my behalf, and they did obtain the same; and further  
24

25           7.     That my parents were not aware that, at the Common Law, births  
26 were to be recorded in the family Bible, and that only deaths were made a  
27 matter of public record; and further  
28

29           8.     That my parents were not aware that any certificate required by  
30 statute to be made by officers may, as a rule, be introduced into evidence  
31 (see Marlowe v. School District, 116 Pac 797) and, therefore, they were  
32 acquiescing to State requirements which violate my rights to privacy and the  
33 4th Amendment protections under the Constitution for the United States of  
34 America, because the Birth Certificate is the record of the State of  
35 Massachusetts, not of the individual, and the State may be compelled to  
36 introduce said record without my permission; and further  
37

38           9.     That such statutory practices by the State of Massachusetts are  
39 deceitful misrepresentations by the State and society, on the recording of  
40 births, and my parents were unaware that a Birth Certificate was not  
41 necessary, nor were they aware that they were possibly waiving some of my  
42 rights, which rights are unalienable rights guaranteed to me by the  
43 Constitution for the United States of America; and further  
44

45           10.    That the doctor who delivered me acted as a licensed agent of the  
46 State of Massachusetts without the consent of either my own parents or  
47 myself, and offered me into a State trust to be regulated as other State and  
48 corporate interests and property as a result of that offer and acceptance,  
49 which comprises a fiction of law under statutory law (called contracts of  
50 adhesion, contracts implied by law, constructive contracts, quasi contracts,  
51 also referred to as implied consent legislation); and further  
52  
53  
54  
55

1           11. That, from my own spiritual beliefs and training, I have come,  
2 and I have determined that the right to be born comes, from God Almighty (who  
3 knew me before I existed) -- not the State of Massachusetts and not the State  
4 of California -- and therefore original jurisdiction upon my behavior  
5 requiring any specific performance comes from my personal relationship with  
6 God Almighty, unless said performance causes demonstrable damage or injury to  
7 another natural human being; and further  
8

9           12. That, after studying the Birth Certificate, I have come to the  
10 conclusions that the Birth Certificate creates a legal estate in myself, and  
11 acts as the nexus to bring actions against this individual as if he were a  
12 corporate entity, that the State of Massachusetts, in cooperation with the  
13 federal government and its agents and assigns, is maintaining the Birth  
14 Certificate so as to assume jurisdiction over many aspects of my life in  
15 direct contravention of my unalienable rights and Constitutionally secured  
16 rights to be a "Freeman" and to operate at the Common Law; and further  
17

18           13. That such statutory provisions also cause a loss or diminution  
19 (depending upon other statutory provisions) of rights guaranteed by the 1st,  
20 2nd, 4th, 5th, 6th, 7th, and 9th amendments in the Constitution for the  
21 United States of America; and further  
22

23           14. That, as a result of my earnest and diligent studies, my prior  
24 ignorance has come to an end, and I have regained my capacity to be an  
25 American Freeman; therefore, it is now necessary that **I declare any nexus**  
26 **assumed as a result of the Birth Certificate**, by the State of Massachusetts  
27 or by any of its agents and assigns, including the federal government, and  
28 any jurisdictional or other rights that may be waived as a result of said  
29 trust/contract with all forms of government, **to be null and void from its**  
30 **inception**, due to the deceptive duress, fraud, injury, and incapacity  
31 perpetrated upon my parents and myself by the State of Massachusetts, the  
32 third party to the contract; and further  
33

34           15. That I was neither born nor naturalized in the "United States" as  
35 defined in **Title 26, United States Codes** and, therefore, I am not subject to  
36 its foreign jurisdiction. See **26 CFR 1.1-1(b)-(c)**; and further  
37

38           16. That, with this revocation of contract and the revocation of  
39 power, I do hereby claim all of my rights, all of my unalienable rights and  
40 all rights guaranteed by the Constitution for the United States of America,  
41 At Law, and do hereby declare, to one and all, that I am a free and  
42 independent Citizen now inhabiting the California Republic, who is not a  
43 creation of, nor subject to any State's civil law of admiralty, maritime, or  
44 equity jurisdictions and, as such, I am only attached to the judicial Power  
45 of California and/or the United States of America; and further  
46

47           17. That I affirm, under penalty of perjury, under the Common Law of  
48 America, *without* the "United States" (see 1:8:17 and 4:3:2 in the U.S.  
49 Constitution), that the Preamble and Sections 1 thru 16 of this Affidavit,  
50 are true and correct and so done in good faith to the best of my knowledge;  
51 and further  
52

53           18. That my use of the phrase "WITH EXPLICIT RESERVATION OF ALL MY  
54 RIGHTS AND WITHOUT PREJUDICE UCC 1-207 (UCCA 1207)" above my signature on

1 this document indicates: that I explicitly reject any and all benefits of the  
2 Uniform Commercial Code, absent a valid commercial agreement which is in  
3 force and to which I am a party, and cite its provisions herein **only** to serve  
4 notice upon ALL agencies of government, whether international, national,  
5 state, or local, that they, and not I, are subject to, and bound by, all of  
6 its provisions, whether cited herein or not; that my explicit reservation of  
7 rights has served notice upon ALL agencies of government of the "Remedy" they  
8 must provide for me under Article 1, Section 207 of the Uniform Commercial  
9 Code, whereby I have explicitly reserved my Common Law right not to be  
10 compelled to perform under any contract or commercial agreement, that I have  
11 not entered into **knowingly, voluntarily, and intentionally**; that my explicit  
12 reservation of rights has served notice upon ALL agencies of government that  
13 they are ALL limited to proceeding against me only in harmony with the Common  
14 Law and that I do not, and will not accept the liability associated with the  
15 "compelled" benefit of any unrevealed commercial agreements; and that my  
16 valid reservation of rights has preserved **all** my rights and prevented the  
17 loss of any such rights by application of the concepts of waiver or estoppel.

13 RE: NUNC PRO TUNC REVOCATION OF CONTRACT AND REVOCATION OF POWER  
14 ASSEVERATION  
15

16 Dear Registrar:  
17

18 Your letter to me dated March 23, 1992 acknowledges receipt of my  
19 signed and notarized revocation affidavit, referenced above. I am writing  
20 this letter in order to address the two statements contained in your letter,  
21 and to rebut any presumptions which could or might be conclusively  
22 established by allowing your two statements to remain unchallenged.  
23  
24

25 Statement #1: **"This letter is to inform you that there is no provision**  
26 **under Massachusetts law to rescind a properly filed birth**  
27 **certificate."**  
28

29 Although this statement may, in fact, be technically and generally  
30 true, it is irrelevant to the specific issue at hand, for several reasons.  
31 First of all, it implies that my original birth certificate, on file in your  
32 office, was "properly filed". You have made this statement contrary to  
33 numerous facts which are contained in my revocation affidavit. You have now  
34 had ample opportunity to rebut any and all of those facts, and you have not  
35 done so. Accordingly, your failure to rebut any of those facts now renders  
36 them all conclusive, permanently for the record. You are now forever barred  
37 and estopped from challenging those facts as stated. Therefore, my original  
38 birth certificate was not "properly filed" as you incorrectly attempt to  
39 imply.  
40

41 As a member of the Sovereignty by right of birth and hereditary  
42 succession, I belong to that group of people by whose authority the  
43 Massachusetts State Constitution was created. The Massachusetts State  
44 Legislature was created, in turn, by that Constitution. The "Massachusetts  
45 law" to which you refer is, in turn, a creation of that Legislature.  
46 Regardless of your status prior to becoming a State employee, your current  
47 status as a State employee necessarily subjects you to the letter of that  
48 "law". I am not subject either to the letter or to the spirit of that law,  
49 however.  
50

51 Even though you are evidently restricted by law from unilaterally  
52 rescinding a birth certificate, I am not subject to any such a restriction.  
53 As someone who has explicitly reserved all my unalienable rights without  
54 prejudice to any of my unalienable rights, I specifically retain my right to

1 unilaterally revoke and cancel my original birth certificate, for the several  
2 reasons stated in my affidavit, and to render it null and void from its  
3 inception. The affidavit which I have filed with your office is *prima facie*  
4 evidence that I have, in fact, exercised that right, the exercise of which is  
5 entirely within my Sovereign power and authority to do.

6  
7 Moreover, you are evidently unaware of my prior written correspondence  
8 with Governor William F. Weld, in which I documented the fraud to which the  
9 Commonwealth of Massachusetts is an "accommodation party" as defined in the  
10 Uniform Commercial Code. If you have any need to obtain copies of this  
11 correspondence between me and Governor Weld, I recommend that you first  
12 contact the Governor's staff for assistance. Alternatively, Governor Weld's  
13 office has personally informed me that my notice to him, with attachments,  
14 has now been forwarded to the offices of Senator Edward M. Kennedy, United  
15 States Senate, Washington, District of Columbia. Governor Weld's office did  
16 not challenge or rebut any statement of fact contained in my correspondence  
17 to him, except to suggest incorrectly that the issues which I raised were not  
18 within his jurisdiction. Senator Kennedy's office has not responded to me in  
19 any way concerning the materials which he received from Governor Weld.

20  
21 The Commonwealth of Massachusetts is bound by the provisions of the  
22 Uniform Commercial Code (see MCLA c 106 Section 1-207). The conclusive facts  
23 as stated in my revocation affidavit now constitute material proof that my  
24 original birth certificate was an unconscionable contract *ab initio* because,  
25 among other reasons, it was lacking in meaningful choice on my part. You  
26 have already been notified, and I hereby notify you again, that I have  
27 explicitly reserved all my unalienable rights, without prejudice to any of my  
28 unalienable rights. This means that I explicitly reject any and all benefits  
29 of the Uniform Commercial Code, absent a valid commercial agreement which is  
30 in force and to which I am a party, and cite its provisions herein **only** to  
31 serve notice upon all agencies of government, whether international,  
32 national, state, or local, that they, and not I, are subject to, and bound  
33 by, all of its provisions, whether cited herein or not.

34  
35 Furthermore, my explicit reservation of rights has served notice upon  
36 all agencies of government, including but not limited to the Commonwealth of  
37 Massachusetts, of the "Remedy" which you must provide for me under Article 1,  
38 Section 207 of the Uniform Commercial Code, whereby I have explicitly  
39 reserved my Common Law right not to be compelled to perform under any  
40 contract or commercial agreement, that I have not entered into **knowingly,**  
41 **voluntarily,** and **intentionally.**

42  
43 My explicit reservation of rights has served notice upon all agencies  
44 of government, including but not limited to the Commonwealth of Massachusetts  
45 and all of its assignees, that they are all limited to proceeding against me  
46 only in harmony with the Common Law and that I do not, and will not accept  
47 the liability associated with the "compelled" benefit of any unrevealed  
48 commercial agreements (see UCC 3-305(2)(c)). You are under the obligation of  
49 good faith imposed at several places in the Uniform Commercial Code (see,  
50 e.g., 1-203). My valid reservation of rights has preserved **all** my rights and  
51 prevented the loss of any such rights by application of the concepts of  
52 waiver or estoppel.

53  
54

1 Statement #2: **"For this reason, your birth certificate on file in the**  
2 **Commonwealth of Massachusetts remains valid."**  
3

4 This statement is clearly incorrect because it is a *non sequitor*, in  
5 light of my responses in this letter to Statement #1, and particularly in  
6 light of the conclusive facts as stated in my revocation affidavit. As an  
7 unconscionable contract the primary purpose of which was to offer me into a  
8 State trust, to be regulated as other State and corporate interests without  
9 my full consent of majority, **this birth certificate is null and void from its**  
10 **inception, as are any rights of interest which may, now or in the future, be**  
11 **claimed as a result of any conveyance or reconveyance thereof to undisclosed**  
12 **third parties.**  
13

14 Your attempt to assert its validity in the face of contrary evidence is  
15 noted and can be used as *prima facie* evidence of your willingness to violate  
16 and otherwise contravene my unalienable rights and my Constitutionally  
17 secured rights as a Sovereign Freeman. These rights include, but are not  
18 limited to, those which are enumerated in my revocation affidavit.  
19

20 You are hereby warned that you can and will be held personally liable  
21 for any further attempts to violate my fundamental, unalienable rights by  
22 acts on your part which attempt to compel my specific performance to any  
23 third-party debt or obligation created through the unlawful conveyance,  
24 conversion or other instrumentality of an invalid birth certificate. As an  
25 employee of the Commonwealth of Massachusetts, you are under a legal  
26 obligation to recognize that "Constructive fraud as well as actual fraud may  
27 be the basis of cancellation of an instrument," El Paso Natural Gas Co. v.  
28 Kysar Insurance Co., 605 Pacific 2d 240 (1979). Your ignorance of the law is  
29 no excuse in this matter. If you are unsure about your own legal situation  
30 in this matter, may I recommend that you contact the State Attorney General's  
31 office for advice and assistance.  
32

33 For your information, I am not subject to any foreign jurisdiction by  
34 reason of any contract or commercial agreement resulting in adhesion thereto  
35 across America, nor are millions of other Sovereign Citizens, unless they  
36 have provided waivers of rights guaranteed by the Constitution by means of  
37 knowingly intelligent acts, such as contracts or commercial agreements with  
38 such government(s) "with sufficient awareness of the relevant circumstances  
39 and likely consequences", as ruled by the U.S. Supreme Court in Brady v.  
40 U.S., 397 U.S. 742, 748 (1970). I have given no such waivers, nor is it  
41 possible that I could have given such waivers by reason of a birth  
42 certificate executed by other parties long before I was even able to speak or  
43 write, and long before my age of majority. Therefore, the birth certificate  
44 at issue is necessarily null and void, *ab initio*, notwithstanding any and all  
45 unsubstantiated statements by you to the contrary.  
46  
47

48 If I do not hear from you within ten (10) calendar days of the above  
49 date, I will be entitled to the conclusive presumption that this matter is  
50 settled. Thank you very much for your consideration.  
51
