

BONA FIDE OFFER IN COMPROMISE

TO: Mr. John L. Hennessy
Office of the President
Building 10
Stanford University
Stanford 94305-2061
California, USA

Date: April 10, 2015 A.D.

Subject: INVOICES now IN DEFAULT

Greetings President Hennessy:

Kindly be informed hereby that, as of January 28, 2014 A.D., I have been specifically authorized to act as Interim Trustee of the Estate of Paul Andrew Mitchell, B.A., M.S.; and, as of January 1, 2015 A.D., I now act as the sole Trustee specifically authorized to maintain an adversarial posture in defense of that entire Estate.

It has also come to my attention more recently that Stanford University now employs Prof. James A. Landay in Stanford's Computer Science Department. As you know or should know by now, Prof. Landay is implicated in multiple torts against Mr. Mitchell, as partially documented now in Mr. Mitchell's *University of Washington Claim Form* dated 3/28/2015. Your office should have received email confirmation of that *Claim Form*, by now.

Further review of relevant historical documentation has also confirmed that Standard University is not only **PAST DUE** but also **IN DEFAULT** with respect to a series of INVOICES for damages sustained by Mr. Mitchell in connection with two (2) civil lawsuits in which Stanford University was a named Defendant. For your convenience, private dockets are available here on the Internet:

<http://www.supremelaw.org/cc/aol/>
<http://www.supremelaw.org/cc/aol2/>
<http://www.supremelaw.org/copyrite/stanford.edu>

We fully appreciate that you are already quite busy with other important University business, so permit me to get right to the point.

With accrual of 7% simple interest authorized by California State usury laws, the total amount now due to Paul Andrew Mitchell exceeds \$5 Billion U.S. Dollars. (Cf. UCC FINANCING STATEMENT now recorded by the Delaware Secretary of State.) In addition to debtors AOL, Inc. and Time Warner, Inc. (as successors in the interests of AOL Time Warner, Inc.), Stanford University is one of twenty (20) major colleges and universities also named as Defendants in both lawsuits.

By dividing \$5 Billion USD equally among those 20 named Defendants, the resulting quotient equals \$250 Million U.S. Dollars per Defendant (exactly \$0.05 per dollar).

Accordingly, as Trustee of the Estate of Paul Andrew Mitchell, B.A., M.S., I am authorized to extend the following *Bona Fide Offer* in Compromise to Stanford University:

If Stanford University remits \$250 Million U.S. Dollars payable to Mr. Larry Saccato as Trustee within thirty (30) calendar days of the above date, the Estate of Paul Andrew Mitchell, B.A., M.S., agrees formally to confirm that Stanford University's debt has been paid in full.

Thank you for your timely professional consideration of this *Bona Fide Offer*, President Hennessy.

Sincerely yours,

/s/ Larry Saccato
